

## Human Resources 2022-23

Institution: Southern California University of Health Sciences (117672)

User ID: P1176721

### Overview

#### Human Resources Overview

Welcome to the IPEDS Human Resources (HR) survey component. The HR component collects important information about your institution's staff.

#### Data Reporting Reminders

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting.
- Report each employee only once. If an employee could be coded in more than one occupation, code the employee in the occupation that requires the highest level of skill OR if there is no measurable difference in skill requirements, code the employee in the occupation in which they spend the most time.
- Report staff members difficult to categorize in the "Human Resources Survey Evaluation" box at the end of the survey.
- Enter data on each displayed screen. If a screen is not applicable, enter at least one zero in a field on the screen and save before continuing.
- When reporting salary data (applicable to degree-granting institutions only) include all full-time, non-medical school, instructional staff - both with and without faculty status.

See the instructions for the **Key Reporting Concepts** section – basic reporting concepts that will assist you in completing the Human Resources survey component.

#### Changes in reporting

The following changes were implemented for the 2022-23 data collection period:

- The reporting date for new hires has been changed to state that for new hires you must report the number of persons who were hired for full-time permanent employment either for the first time (new to the institution) or after a break in service of persons that are on the payroll of the institution as of November 1, 2022.
- The 'Nonresident alien' category has been changed to 'U.S. Nonresident' but should include the same category of staff/faculty.

#### Resources:

- To download the survey materials for this component: [Survey Materials](#)
- All staff must now be reported using the new IPEDS occupational categories, which align with the 2018 Standard Occupational Classification (SOC) codes. Additional information and resources can be found in the [IPEDS HR/SOC Information Center](#), including general information about the SOC, the IPEDS/SOC crosswalk, a SOC Browse Tool, Frequently Asked Questions, and Web Tutorials.

## Summary

### Human Resources Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution’s Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution’s CEO in November 2023.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or [ipedshelp@rti.org](mailto:ipedshelp@rti.org).
